

## IMPORTANT - What Happens Next & About Country Membership

### About Country Membership;

- \* Country Membership is simply intended as a way for people who live outside of Bahrain to retain the right to access Bahrain RFC's facilities when they return on visits to the country. It is also a vehicle for Old Members to find each other, stay in touch and to keep contact with BRFC in the Future.
- \* Retaining or taking out Country Membership of the Club will automatically see you registered in the past members section of the website (if applicable) enabling you to scan lists of fellow old members of the Club and send them a message. This in combination with the Historical Archive that have been constructed will hopefully re-ignite the memories of your time at BRFC.  
*(If you have something to contribute or add please feel free to do so)*
- \* Any Country Member of Bahrain RFC is guaranteed access to the Club so feel free to drop in and see us when your passing by and catch up with what your Club has become!
- \* **This form of Bahrain RFC Membership can not be used to participate in any sports activities at the Club.**
- \* **Can't make it to Bahrain to visit us!** No problem, the Bahrain RFC web site will have a regular newsletter letting you know what's going on at the Club, or those of you slightly more curious explore the postings in the What's On and this seasons sporting sections to keep up to date in detail.

### What Happens Next;

- \* Now you have registered with us, your name(s) will be added to the lists maintained at the Club & on the web site.
- \* Access to Bahrain RFC's premises is immediately available please feel free to use the Club's facilities as you did when you were a member. You will need to identify yourself as a Country member, whereupon Security at the Club will perform a check & then admit you.
